**Please allow 1-3 weeks for delivery.** The Mental Health Association in Texas is the state's oldest citizens' mental health education and advocacy organization. For free mental health information and resources, visit our websites [www.mhatexas.org](http://www.mhatexas.org), [www.ParentingInformation.org](http://www.ParentingInformation.org), [www.InformacionParaPadres.org](http://www.InformacionParaPadres.org) and [www.txpat.org](http://www.txpat.org).

The Mental Health Association in Texas is a state leader of the National Institute of Mental Health (NIMH) Outreach Partnership—a nationwide initiative of the NIMH with support from the National Institute on Drug Abuse (NIDA) and the Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Mental Health Services (CMHS). Outreach Partners work to increase public awareness of the critical role research plays in expanding the understanding, diagnosis, and treatment of mental illnesses and substance abuse disorders. Partners conduct a statewide mental health outreach and education program to deliver science-based messages to the public, a broad range of health professionals, and traditionally underserved populations.
